WINE FEATURE

ZINFANDEL

Zinfandel is a sometimes forgotten red varietal that is often not appreciated for the potential it really has. Originally from Croatia and also known as Primitivo in Italy, the Zinfandel varietal is now distinctly American. California represents a unique sense of place and grows the best Zinfandels in the world because of its unique climate, soils and terrain. Enjoy these Zinfandels that showcase the different styles from various growing regions throughout California.
